#### We know you like a little extra!

So, here are the add-ons that you have chosen with your policy.

### Did you love someone else before we met?

It's OK, we'll deal with it. Here are the details of your last insurer.

Previous insurer: Bharti AXA General Insurance Company Limited.

Previous policy No: 4564564564 Expiry on: 15/03/2023

Here are the details of your present liability insurer.

Liability insurer name: undefined Liability policy No: 5656564645

Policy period: From 13-03-2022 To 12-03-2025

#### Red, orange or green?

What kind of loss/damage is covered, and what isn't? As a thumb rule here, are a few

things you should remember.

• Calculation of depreciation:

If the loss/damage to your vehicle is partial, here's how we calculate the depreciation (unless it's covered in your Add-ons).

- For rubber/nylon/plastic parts, tyres & tubes, batteries and air bags: 50%
- For fibre glass parts: 30%
- For everything made of glass: Nil

Depreciation for all other parts, including wooden ones, is up to a maximum of 50%, depending on how old the car is. If you need to have your car painted, depreciation of 50% will apply only on the cost of materials. If you get one combined bill for painting, we'll consider 25% of the total bill amount as material cost, and apply depreciation on it.

• Use of the vehicle:

The Policy covers the use of the vehicle for any purpose except Motor Trade, hiring or reward, carrying goods (other than samples or personal luggage), organized racing, pacemaking, speed testing, teliability trials etc.

· Who can drive?

The driver can be anybody including the insured, provided he/she holds an effective driving license at the time of the accident and is not disqualified from holding a license. However, the driver must satisfy the requirements of Rule 3 of the Central Motor Vehicles Rules, 1989.

This is most important! Slow down here.

Although we'd love to cover your vehicle without exception, we can't. Your policy covers loss to your vehicle only if all the Voluntary deductible terms are met.

And any payment we make because of terms appearing in this schedule or to comply with the Motor Vehicles Act, 1988, is recoverable from you. You should definitely read the clause, 'Avoidance of certain terms and right of recovery' in your policy wording.

Warranted that the Assured named herein/owner of the vehicle insured holds a valid Pollution Under Control (PUC) Certificate on the date of commencement of the Policy and renews and maintains valid and effective PUC Certificate during the duration of the Policy period. If the PUC is not found valid on the date of loss, the company shall repudiate any claim made under the Policy. Subject to I.M.T. Endt. Nos. & memorandum xxxx printed/attached here.
